What should we feed him?

Is meat alone enough?

Does he need change in his diet?

Are table scraps good for him?

Is there a dog food that's really complete?

# There's no question about it when you

# RECOMMEND PARD

*Better for a dog than red raw meat*

Most questions that people ask about dog feeding can be answered in one word—"PARD"!

For with Pard, a dog needs nothing more, he can get nothing better. Swift makes Pard with all the good meat protein dogs love, *plus* all the other important nutrients they need.

Read the table. It shows in detail why Swift's Pard is the perfectly balanced, complete food you can recommend with assurance!
